eaware ®

tackling online safety in a fun and creative way

Sexting, cyberbullying and grooming are just a few of the risks that your people face online. eAWARE helps teachers safeguard their students' against these risks with easy to use assessment, reporting and learning tools.

PROMOTING GOOD ONLINE BEHAVIOUR VIA OUR
4 STEP APPROACH

1 ASSESSMENTS

Assess students eSafety awareness and vulnerable behaviour quickly and easily using the online questionnaires.

2 REPORTS

Identify knowledge gaps and risky behaviour, view recommendations for further learning, and produce a record of your students' understanding of online dangers.

3 LEARNING PATHWAYS

Raise eSafety awareness across your whole school with age-appropriate lesson plans and unique video content that engages, entertains and educates.

4 REASSESSMENT

Reassess student's to produce "before and after" reports that measure eSafety awareness over time.
